SWIM NORTH DAKOTA ~ Swim North Dakota is open to the GENERAL PUBLIC. Children 4 years old and up from beginner to advanced swimming skills can be part of the program. Swim North Dakota uses a station method of teaching with a small student to instructor ratio. Student/teacher ratio will vary from 2:1 to 10:1 depending on the level of instruction and popularity of the class time. They will advance through the different swimming levels, as the child's swimming skills improve. However, the child will not be advanced after the first week of lessons. After completing the Swim North Dakota program the student is prepared to enter advanced Red Cross courses such as Lifeguard Training, join R.R.V.Y. Wahoos Swim Club or enjoy his/her swimming skills for recreational purposes.

Registration must be done by mail with the given application or in person. We DO NOT send out confirmations so please show up at your selected class session. Upon receiving your application and if your choice class is full, we will notify you and have you select another time or date. In case of inclement weather, classes will continue, unless UND closes campus. You can also check out our Facebook page for verification.

Location and Facilities: All lessons will be held at the Hyslop Sports Center pool. The best way to access this area is to park underneath the Columbia overpass and use the south door entrances. These will take you directly into the pool area. There are locker rooms available on the pool deck for changing.
