

2017-2018 ELITE ID CAMP

JULY 7-9, 2017

Resident (overnight + all meals):	\$300
Commuter (lunch + dinner):	\$270

The ELITE ID CAMP is open to all high school aged girls who desire to play at the collegiate level. The structure is designed to replicate a college soccer playing experience – the same that we would offer to our very own student-athletes. Campers can expect to be challenged in all areas (technical, tactical, physical and mental) as we give them an inside glimpse into what it is like to be a DI soccer player.

Facilities

UND Soccer campers will use a number of the amazing facilities available on the University of North Dakota campus. These include: the Soccer Field, Memorial Stadium and the High Performance Center. Overnight campers will be housed in one of our residence halls.

Meals

Nutritious all-you-can-eat meals are planned by the UND Dining Services and served in our air-conditioned Wilkerson Dining Center.

Gear

All campers should bring appropriate gear. This includes: shin guards, cleats, tennis shoes, socks, shorts, shirts, pants and sweatshirts. Overnight campers will be asked to wear their camp t-shirt each day during practice. Extra spending money for snacks and apparel may be helpful.

Registration

Walk-ups are still welcome at the first day of camp if there is enough space. Make all checks payable to University of North Dakota. Canadian residents must pay by credit card or by check/money order DRAWN ON A US BANK, or U.S. currency. Please bring signed and completed insurance forms and camp rules form at this time.

Refunds

The University of North Dakota allows for no refunds due to personal injury, tournament of any kind, other camps, vacations, etc. Please contact camp director Chris Citowicki at chris.citowicki@athletics.und.edu for more information

Health Care

Each camper must be covered by their own accident and medical insurance. UND will provide an onsite certified athletic trainer for each camp. **Please see UND camps Parents Resource Guide for necessary forms and releases.**

Commuters

Individuals who are commuting to camp must arrive by 8:30 a.m. Campers who do not choose to eat the provided lunch and dinner must be back to the facility at specified times designated by the coaching staff. Camp is dismissed at 8:30 p.m.

Transportation to/from Airport

Transportation can be provided upon request.
